### DESCRIPTION

Digernes Consulting (Organisasjonsnr: 922 580 227) is a sole proprietorship (enkeltpersonforetak) with Geirmund S. Digernes as the owner.

I started working in the IT industry in 1998, serving roles such as **Software developer, Senior Consultant, IT system analyst, Service Manager, Enterprise Architect and Program Manager.**

I possess industry knowledge from **Software, Finance, Telecom, Oil & Gas, Public Safety, Group-level.** I am ITIL Foundation certified.

Served as Enterprise Architect in 2011-2018 in DNV GL (formerly Det Norske Veritas), a company with more than 12.000 employees in 88 countries.

For a more detailed overview of previous experience, please browse to page 2 and below.
